WHO WE ARE

Here at Edinburgh Dog and Cat Home, we strive to make sure that every pet has the loving home it deserves, and we get our claws into our cause.

OUR MISSION

Sometimes caring for dogs and cats in the unconditional way they love us means taking them in, but sometimes, dog and cat rescue means keeping them exactly where they are. If a pet already has a loving home, we want to keep them there whenever possible.

This sometimes means helping out owners whose circumstances have changed through our Pet Foodbanks or by raising awareness of pet poverty to support lasting change. So rather than take them in and help them find a new home, we want to keep them where they're already loved.

We're a small but dedicated team united by our unconditional love of animals and our dedication towards their care, whatever it takes.
