WHO WE ARE

Here at Edinburgh Dog and Cat Home, we strive to make sure that every pet has the loving home it deserves, and we get our claws into our cause.

OUR MISSION

When a pet is part of the family and already has a loving home, we want to keep them there whenever possible. But sometimes, caring for dogs and cats means coming to the Home and finding a new loving family is best for them.

We're here to help pet owners, for when circumstances have changed through our Pet Foodbanks, by offering training or through raising awareness of issues for pets to deliver lasting change. Our priority is to help keep families together and be there when people and animals are in need.

We're a small but dedicated team united by our unconditional love of animals and our dedication towards their care, whatever it takes!
